Memo

Letter No 459/102 of 17 August 76 from the Comr of the Nagar Dn.

In his letter No 587/303 of the 17th January 76, the Commissioner of the Nagar Dn submitted proposals for the establishment of a Chattram at Theerthahally in the Kavaledurga Talk. The reasons urged in favor of the proposal were (1) that Theerthahally was a central station frequented by travellers & pilgrims proceeding to and from South Canara & Dodupi respectively; (2) that it was a place of sanctity where an annual festival was held, (3) that it was an important mart in the Malnad; (4) that much inconvenience was felt by travellers for want of accommodation at Theerthahally

2. The Comm^r, at the same time, recommended that the Chattrams at Málur and Majarvalli on the line of road from Shemoga to Agumbi might be abolished, and the allowances attached to them transferred to the proposed Chattram at Theerthahalli. Colonel Campbell also stated that should his recommendation be approved, he would submit proposals for organizing the Establishment & the allowances for the new Chattram.

3. In reply, sanction was communicated (1)to the Establishment of a Chattram at Theerthahally, (2) & the transfer to it of the allowances amounting to Rs 313. 11. a attached to the Majarvalli Chattram. × Ltr No $\frac{8337}{126}$ 8/11. 2.76

As regards the Comr's proposal to abolish the Málur Chattram, it was observed that it was objectionable, as Malur was situated

on the high road, ~~xxx~~ is equally distant to Veerthahally on the West and Mandagadda on the East, and had a Travellers' Bangalow also-

4. The Comr was at the same time requested to report as to the necessity for retaining the food feeding allowance in connection with the Chattram at Mahisshi, where, it was understood, ~~they~~ people did not resort all the year round but only during the festi-val season, when they were fed by the Pagoda which enjoyed a State grant.

5. In reply, the Comr submitted a copy of the Dy Comrs report recommending the abolition of the Mahisshi Chattram as being of little use to travellers, and the transfer of its allowances to the new Chattram at Veerthahalli, where it could be better.

N. 8/3 dated 5.4.76

under the immediate supervision of the Amildar or other responsible Officer of the Talúk.

6. Orders on the above proposal were deferred pending the receipt of Explanation called for ~~as regards certain discrepancies pointed out~~ in the C. G's Pro: noted in the margin, ~~with reference to the Accounts entered in the Statement of Chattrums specified with the Com'rs letter No. 263/116 of 16th Septr 1875, and those mentioned in the Com'rs subsequent letter noted in the margin, as~~ in regard to the allowances of the Chattrums at Málur, Magarwalli and Mahéshi-

Chattrams for feeding travellers is spent in the several months of the year not in equal, but in varying proportions as therein particularized, and that the amounts entered in the Statement of 1873 were calculated at the average of the expenditure for the first 8 months of 1872-73, viz: April to November 72, while the figures given in the Comrs letters of 17th Janr. & 10th June 76 represent the annual Sadeck allowance according to the settlement made by the Inam Department.

8. The explanation given by the Comrs is satisfactory and may be accepted

9. The Comrs proposal to abolish the Mahishi Chattrams

may be sanctioned, as this Chattram is reported to be of little use to travellers. The Chattram enjoys an annual allowance of Rs 573 as shewn in the margin, of which Rs 279 are paid on account of the Car festival of Ishvaratha Narayana Devaru held in the months of April, leaving a balance of Rs 234, which may be transferred to the newly established Chattram at Theerthahally, as proposed by the Dy Comr. If this be sanctioned, the allowances of the Theerthahally Chattram will amount to Rs. 547. 11 — as shewn in the margin. The Comr may be asked to report how he proposes to apportion this amount (1) for establishment charges & (2) for feeding travellers.

10. As it is clear that the entries made in the Statement of 1873 are not in accordance with the Jaydeek Patties, the Comr. may be asked to submit a revised Statement shewing accurately the allowances fixed in the Jaydeek Patties for maintenance of Establishment as well as for feeding travellers &c in the several Chattrams in the Nagar Dve.

Memo in continuation of No. 514 of the 12th September 1876.

11. Orders passed on para 9 of the foregoing Memo were communicated to the Commissioner of Nagar in this Office Proceedings No 6167/135 of the 22d September 1876.

No 6167/135 dt 22-9-76.

12 The Moozgy Officer who was furnished with a copy of the above order reported that the sum of Rs. 279 had not been spent from the feeding allowances of the Chattrum but from the separate assignment made for the Car festival of Malleshi temple which was merged in

No 3625-12-76.

of the Chattrum during the Gram Settlement. It was also stated that a reference to the marginally noted Records × would shew that the assignment for Car was ever treated as a separate grant although it was included in the feeding allowance as one grant

× Nagar Sapthe order of 1839 and the accounts for the years 1835 & 1837.

13 The Commissioner of Nagar, in submitting a copy of the above report (received from the Dy Commr of Shemoga) observes that the Expenditure of feeding Brahmins during the Car festival of Maluchu Aswata Narayana Devaru from the assignment for the Maluchu Chattrum has been going on from

No 985/219 of 27-1-77

so far back as 1837; that in the Zyasalaty accounts for 1837 and 1839, the Expenditure incurred during the Car festival was distinguished from current Expenditure and that the Amildar states that no special authority is forthcoming on this subject

14. Before transferring the sum of Rs 234 from the Mahasha Choultrum to that of Sheeshta-hulli, I should like to ascertain from the Inam Supdt. under what circumstances an assignment of funds was made for the Car festival and why the amount

was mentioned in the
Shuttaun Sedwi allowance

15. With his letter No. 111 of the 26th February 77, the Inam Superintendent, who was written to as directed above, forwards the Muzarai Register of the amount paid for the "Anna Chattram" and for the Car-festival at Mahishi, and states that there is no record to shew how or by whose order the assignment for the Car-festival of a portion of the Chattram funds came to be made. He Major Cole also observes that the registration of the whole of the allowance, amounting to Rs 573/, is correct as it is distinctly

stated in the Muzarai Lavazama Patty of 1851 that the amount of Rs 279/ is payable for feeding the people on the day of the Car festival.

16. It would appear from the Register that out of the sum of Rs 453/ allotted for feeding expenses in the Mahishi Chattram Rupees 279 are spent in the month of March or April in the distribution of food at the celebration of the Car festival, under the superintendence of the Taluk officials specially deputed for the purpose. It appears also that, in addition to the abovementioned sum of Rs 279/, a si/ -rate allowance of Rs 145-7-0 is granted for the same purpose

the total grant for the
Car-festival is therefore
Rs 424.7-"

17 It is evident
from the enquiries instituted
that there is no authority
for the expenditure of
Rupees 279 in the distri
-bution of food on the
occasion of the Car festival
out of the Chattram funds
and that the statement
made by the Mugarai
Officer (Vide para 12) to
the effect that a separate
assignment of Rs 279/
existed for this purpose
and that it was merged
in the Chattram feeding
allowances at the Inam
Settlement is incorrect.
As there is however a separate
allowance of Rs 145-7-"
for feeding people during
the Car festival I think

the whole of the allow-
-ance attached to the
Mahishi Chattram,
viz, Rs 513, may be trans-
-ferred to the one newly
established at Theerthe

Memo

The Dy Com of Shimoga D in his Rubakari noted in the margin reported that the temple at Malleshi dedicated to Ashwatha Narrain. devara, was in need of repairs the cost of which was estimated at Rs 1481. It was proposed to meet the cost by effecting savings on the annual Expenditure to the extent of Rs 740 8 — 0, for 2 years. The Dy Com accordingly solicited orders for the Ten.

Reduction of certain
items of Expenditure.

2. The Dy Com[missioner]
was requested by * to submit a detailed
statement of the
items proposed to
be reduced.

* in this Office No 26 of 31. 5. 77

3. The Dy Com[missioner]
now submits a * with his
statement (translation) No 778 of 8 " 77
of which accompanies
this Memo, from
which it will
be seen that the
items proposed to
be reduced temporarily
amount to Rs 607. 9 8
with the exception
of one item, which
will be referred
to hereafter. I think the

other items may be
reduced as proposed

4 During the Car
festival at Mahnad a
sum of Rs 145. 7 0 is
expended for feeding
Brahmins. This allowance
is recommended to be
stopped as the cost
of feeding might be
met out of the Mahnad
Chattram funds. The
Secy will remember
that orders have been
passed to transfer the
Mahishi Chattram allow
ance to Theerthahalli
and that the Comr.
recent letter, asking
for a reconsideration
of those orders, has been
referred to the Inam
Suptt for opinion. Shall
it be eventually decided
that the order already
passed for the transfer

of the Mahishi Chattram
allowance whereby should be carried out, no funds will be available to meet the cost of feeding during the Cart festival at Mahishi

5 Deducting Rs 145 70 from the total savings Rs 607 98, the balance is Rs 462-2-8. For 2 years the amount will be 924-5-4. To this must be added Rs 100 12. 3, being excess pays made in 1875/76 3 Total Rs 1025-1 7 Who received

The balance will have to be made good out of surplus funds unless the proposed reductions are effected during the 3d year also

6 The Dy Com may be directed to carry out the reductions in 2 years as proposed above and in the meantime we might see what further savings accrue annually

22 At the Swamy Settlement
from the fact that the
Amounts of Rs 2½ and 2½
being the feeding charges daily
and on the Kartika pakam day
respectively were shewn
under the head Chattrums

in the Appellate Accounts
of the Zilla, it appears to
have been understood
that the Chattram was
Endowed

23 It is from the documents
above alluded to and also
the Mugrai Sarvajanna
Pattu of 1851 alluded to by
the Temple Servants, this
Spirit clear that the
Mahishi Chattram is an
adjunct to the Temple
and that the allowance
for feeding on the Rath
Jatra days, is not an
unauthorized diversion of
funds from a Govt. Chattram
but is an actual grant
made to the temple itself

24 The Mugrai Officers
apprehended that if the
Chattram was transferred
to Tirthalli, it would
seriously affect the well

being of the Temple and would thereby defeat the object for which the Chuttrum was made an adjunct to the Temple — Malleshi the Muzrai Peon reported, was never on the high road either during the former administration or since the assumption and in establishing it at that place in preference to Perthalli on the high Road to Subramanya that it could readily be inferred that the Chuttrum was intended to be an auxiliary to the Temple. The Assistant Muzrai Inspector requested therefore that the Chief Commissioner might be solicited to reconsider the subject and to order the continuance of the Chuttrum at Malleshi as belonging to the Temple.

The

25. The Dy Commissioner in submitting to the Government the Muzzan Officers Report together with the accounts above referred to observed that the Lavagama patta dated 25th October 1873 and signed by Mrs Stigand the late Maha Raja himself distinctly stated that the Chuttrum belonged to the Temple and that Travellers should not be fed in it

26 Major Blair further stated that the reasons for transferring the feeding allowance of Rs 279 for the Car festival 6 days from the head Muzzan to Chuttra Pharoah Church are not given in the 5th extract Account of Land as would have been very [illegible]

title of the temple to the allowance had been received - In the accounts of the previous years the Dy Commr added cost of daily feeding in the Chattrum of the temple had been shewn under the latter head along with the Govt Chattrums in the Taluk and that it was probable that the feeding allowance on the Car festival day was also transferred to this head in order that all feeding allowances might appear under the same heading.

27. In reply to a reference made by the Commissioner the Dy Commr stated that the sum of Rs 313-11-4 transferred from the Inegavandy Chattrum to Thirthalle would

not be sufficient for the
Theerthalle Shuttrum and
that he had no alternative
but to support the Comm's
proposal to transfer the
Malur Chatram also to
Thirthalle - With regard
to the reasons assigned in
this office docket No 8337/126
dy 4th February 76 for
negativing the above propos.
originally
the Dy Comm Remarked
that there are Bungalows
at Sacrahyle and Megan
which are situated midway
between Shimoga and
Mundgoddi and between
Thirthalle and Sringeri
Respectively. But there is
no Chattrum at Sacrahyle
and the one at Megan
is also situated in the
High Road
which is

being much frequented
by Travellers — Travellers
halting at Madura are also
few and far between and
as observed by the Commr
they generally make longer
stages than 9 miles
The Dy Comr was therefore
of opinion that there would be
no inconvenience to them
if the Chattrams at Madura
were abolished Should this
proposal be sanctioned, the
assets of the Theerthalla
Chattrum including Rs 390-8-
of the Madura Chattrum would
be Rs 704-3-4 which would
be distributed in the
manner shewn in the Dy
Comrs Statement — If the
abolition of the Madura
Chattrum be not sanctioned
Major Blair Recommended

that Rs 313-11-0 now
transferred to Theerthalli
might be transferred to
Melur and that the
grant of Rs 390-8-0 of the
latter might be transferred
to Theerthalli.

28 The Commissioner
states that the restoration
to the Devasthan of the
feeding allowances of the
Kadirichi Chattram would
materially reduce the
amount sanctioned for
feeding travellers at
Thirthalli and recommends
the Dy Comm's proposal
to make up the deficiency
by the abolition of the
Melur Chattram as suggested

The Inam Supdt states that in the Lawyaram Fasly from 1851 to 1861, the allowance of the Mahalsha Chattram is entered as a grant quite distinct from that of the Sahasralinga Narrain Devarus temple, which shews that the former is not an appendage of the latter There is not a separate building in the Mahalsha Village and the mere

The Secretary to Government of India,
Home Department.

Sir,

I am directed to forward, for the information of the Government of India, a copy of the Report of the Committee appointed by this Government to enquire into the working of the Criminal Tribes Settlements in the Presidency, and to state that the Government of Madras have carefully considered the Report and the evidence recorded by the Committee, and have arrived at the conclusions which are set forth in the following paragraphs.

2. The Committee have recommended that the Criminal Tribes Act should be repealed, and that the Settlements should be abolished. The Government of Madras are unable to accept this recommendation. They are of opinion that the Act has been productive of much good, and that the Settlements have been of great benefit to the people who have been placed in them. They consider that the Act should be retained in force, and that the Settlements should be maintained, but that the Act should be amended in certain respects, and that the Settlements should be reorganized on a different basis.

3. The Committee have recommended that the Act should be repealed, because they think that it has failed to effect the object with which it was passed, and that it has done more harm than good. The Government of Madras do not agree with this opinion. They think that the Act has been successful in checking the hereditary criminal habits of the persons who have been registered under it, and that it has done much good in this way. They think that the Act has been of great benefit to the people who have been placed in the Settlements, and that it has done much good in this way also. They think that the Act has been of great benefit to the people who have been placed in the Settlements, and that it has done much good in this way also. They think that the Act has been of great benefit to the people who have been placed in the Settlements, and that it has done much good in this way also.

4. The Committee have recommended that the Settlements should be abolished, because they think that they have failed to effect the object with which they were established, and that they have done more harm than good. The Government of Madras do not agree with this opinion. They think that the Settlements have been successful in checking the hereditary criminal habits of the persons who have been placed in them, and that they have done much good in this way. They think that the Settlements have been of great benefit to the people who have been placed in them, and that they have done much good in this way also. Directing the transfer of the whole of the allowance at present attached to the Huttrum at Mahiatia to the new Huttrum at Kirikalli.

From the Commissioner of the Nagar Division, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 985—219, dated 27th January 1877.

With reference to the Chief Commissioner's Proceedings No. 6167—135, dated 22nd September last, has the honor to forward copy of Shimoga Deputy Commissioner's No. 991, dated 12th ultimo, and enclosures, from which it would appear that the expenditure of feeding Brahmans during the car festival of Mahishi Asvat Narayana Devaru from the assignment for the Mahishi chattram has been going on from so far back as 1837. In the faisalati accounts for 1837 and 1839, the expenditure incurred during the car festival was distinguished from current expenditure. The Amildar states that no special authority is forthcoming on this subject.

From the Offg. Deputy Commissioner, Shimoga District, To the Commissioner, Nagar Division, No. 991, dated 12th December 1876.

Your docket No. 666 forwarding for report Chief Commissioner's order No. 6167—135, dated 22nd September 1876, regarding the feeding allowance of the Mahishi chattram therein alluded to.

With reference to the above, has the honor to enclose copy of a docket No. 36, dated 5th instant, from the Assistant Commissioner in charge of Muzrayi, submitting the report called for.

From the Assistant Commissioner, Muzrayi Department, To the Offg. Deputy Commissioner, Shimoga District, No. 36, dated 4th December 1876.

Your docket No. 962, dated 9th October 1876, enclosing copy of the Nagar Division Commissioner's letter No. 666, dated 4th idem, giving cover to the Chief Commissioner's Proceedings No. 6167—135, dated 22nd September 1876.

With reference to the above, has the honor to report that the sum of Rs. 279 has not been spent from the feeding allowances of the chattram, but from the separate assignment made for the car festival of Mahishi temple, which was merged in the fund of the chattram during the inam settlement.

A reference to the accompanying records (the Nagar Superintendent's order of 1839, and the accounts for the years 1835 to 1837) will shew that the assignment for car has ever been treated as a separate grant, although it is included in the feeding allowance as one grant.

From the Superintendent, Inam Settlements, To the Offg. Secretary to the Chief Commissioner of Mysore, General Department, No. 111, dated Bangalore, 26th February 1877.

In reply to your docket No. 11693—661 of the 16th instant, I have the honor to submit a copy of the muzrayi register of the amount paid for the "Annachattram" and for the car festival at Mahishi; and to state that there is no record to shew how or by whose order the assignment for the car festival of a portion of the funds came to be made.

2. If the sum of 279 rupees is spent in feeding the Brahmans, &c., during the day of the car festival, the registration of the whole inam allowance is correct, a portion of the amount being payable on a certain date. In the "Muzrayi lavazama patti" of 1851, it is distinctly stated that the amount is payable for feeding the people on the day of the car festival.

3. The enclosures of your docket are returned.

Proceedings of the Chief Commissioner of Mysore, Department of Revenue, Agriculture and Commerce, 8th June 1877.

No. 682—Rev. 23, DATED BANGALORE, 8TH June 1877.

ORDER THEREON—The Chief Commissioner sanctions the whole of the allowance, Rs. 513, at present attached to the chattram at Mahishi, being transferred to the new chattram at Tirthahalli This amount, together with Rs 313—11—0 transferred from the Magarvalli chattram, as directed in this office docket No. 8337—126, dated 4th February 1876, will raise the total allowance for the Tirthahalli chattram to Rs. 826—11—0, and the Commissioner is requested to report how he proposes to apportion this sum for establishment and feeding charges.

2. It is observed from the Nagar Superintendent's order of 1837 and the accounts of 1836—39 that, out of the Mahishi chattram allowance of Rs. 452—15—1, Rs. 278—13—3 were expended annually on the car procession, in addition to the separate allowance of Rs. 145—7—0 granted for that purpose. This diversion of the chattram allowance was clearly improper, though authorized at the outset by an order issuing from the Division office.

To

The Secretary to the Chief Commrs

Sir

In returning the enclosures of your docket No. 7514/164 of 20th ultimo, I have the honor to state that in the Sarvajana Patti from 1851 to 1861, received from the Chief Comrs Office, the allowance of the Mahoshi Chuttram is entered as a grant quite distinct from that of the Aswatha Narayana Devaru's temple, which shews that the former is not an appendage of the latter. There is not a separate building in the Mahoshi Village, and the mere fact of the travellers having been fed from a long time in the Pagoda in consequence, cannot vest in the temple a right to the allowance of the Chuttram: Even the entry in the old accounts, of which the particulars are given in the Assistant

Seringapatam

Irumalachar's letter No 5 dated 6th Sept 1877 forming one of the Enclosures, does not at all show that the Chuttram allowance is a part of the grant made to the temple

2 Under these circumstances, I beg to state that there are no grounds for revising the Settlement made by this Department.

the one under reference but
this putty has been superseded
by one of a more recent date
viz the Inadik Putty (Khasab
1831-32) framed under the orders
of His Highness the late
Maharajah. The object
of the late Maharajah in
laying down the new Inadik
was apparently not only to reduce as
far as practicable the large
Cash allowances & paid to
the different charitable
institutions from the State
Funds but also to put a
stop to the several unauthorized
items of Expenditure with
which they were encumbered.
This putty seems to have
been subsequently revised
in the year 1833-34 and
finally adopted by the
late Sowcars Diwan Cutcherry
According to this amended

this amount does not agree with the sum shown in the Inedit Entry of 1813-14 ascertained by the Commr.

Car procession

Cost the Kalisha Temple enjoyed a Inedit allowance of 50 pagodas = 145-7-4 and this amount is continued to be paid to the temple to the present day

2 The Jatras such as the one held at Kalisha annually are celebrated in honor of some particular deity and the pilgrims assembled from different quarters on those occasions are generally fed out of the allowances assigned to the Sthalthrum of the place in which the temple of such deity is situated. Recently in the same way, the allowances of the Kalisha Sthalthrum must have been appropriated towards meeting the Jatra but this circumstance, Mr Saunders thinks, is not in itself a sufficient proof to show

1878

that the Chattram is an appendage of the temple or that the latter is entitled to receive a portion of the Chattram allowance - For the foregoing Reasons, the Chief Secretary Concurs with the Inam Supt.e in thinking that there are no good Reasons for disturbing the orders already passed in this Office Proceedings No 682 / Rev.n 23 dated 8th June 1877 or for the restoration of the Chattram allowance to the Mahadeo temple as suggested by the Commr

Sir,

With reference to your docket No 205 dated 7th Instant, I have the honor to enclose copy of a docket No 3 dated 13th Instant from the Surgeon Assistant and to state that for reasons stated by Major Blair in this office letter No 730 dated 2 October last I am of opinion that the Kuralur & Chattram may be abolished with advantage and amalgamated with the Nandagadda Chattram.

The present grants to these Chattrams are -

	Nandgadda	—	Kuralur
Feeding —	312-14-0		290-0-0
Establishment	166-8-0		100-8-0
	479-6-0	+	390-8-
			869-14-

The present staff of the Establishment of the Nandagadda Chattram is shewn below –

Mutsuddy at	2-7-0	per month	29-4-0
Cook at	3-8-0	Do	42-0-0
Waterman at	3-8-0	Do	42-0-0
Naivedyasamarpani at	1-4-0	Do	15-0-0
Gandhakkshata at	1-3-0		14-4-0
Gollur at	1-4-0		15-0-0
Karkate at	0-12-0		9-0-0
			166-8-0

In the Chief Commissioner's Proceeding No. 308-309 Rev. 38 dated 26th Ultimo, it is directed that the posts of 4 Naivedyasamarpani and Gandhakshata should be abolished and that the pay of the Karkate or sweeper should be raised to Rs 3-0-0 per month but the pay of the Mutsuddy is very small and in consequence of the extra work that will be thrown on the establishment by the transfer of the Gollur Chattram I would recommend the following Establishment being entertained for the Nandagadda Chattram.

Mudsu

Mutasuddy at 4 Rs a month — 48-0-0
Cook at - Do — 48-0-0
Waterman - Do — 48-0-0
Coolie at 2 Rs — 24-0-0
Sweeper at 3 Rs — 36-0-0
204-0-0

Deducting this amount in the present grant for establishment of the two Chattrams viz Rs 267 a saving of Rs 63 a year will be effected -

The proposed feeding allowance would amount to Rs 602-14-0 as shewn in the enclosed statement and it may be sanctioned as it is very nearly the sum proposed for the Veerattialally chattram in this Office No 50 dated 15th April 1878, while is Rs 622-11-0 including a sum of Rs 50 provided for feeding the large number of pilgrims who congregate at Veerattialalli during the car festival of the Ramaswara temple so there seems to be no [illegible]

for adding the said saving of Rs 63
to the feeding allowance of the 4th
Mysundagadda Chattrum.

The Amildar's report is herewith
returned -

In reply has the honor
to state that the abolition of Chattur
Chattrum having been originally

proposed by Aruldar Tirumalachare
the same was ultimately disapproved
of by the Chief Commissioner in
his proceedings No. 8337/126 dated 4th
February 1876.

The present Aruldar has again
urged its abolition and amalgamation
with the Mandagadda Chuttrum
where there is a large influx of
travellers at all times of the year.
The present grant to the Mandagadda
Chuttrum would therefore appear
to be far from being ample.

There are at present 4 chuttrums
between this and Agumbay which
is about 54 miles and two of these
are at a distance of 18 miles each
and the chuttrum at Arakur is
about 9 miles from Mandagadda
and therefully respectively, being
situated midway and the abolition
of it in my opinion will not
work any very great hard-

upon the travellers -

It is true that there is a European Travellers' Bungalow at Tirakur but looking to the ordinary rate at which natives travel dutt trains at 18 miles apart will no way put them to inconvenience

It is desirable that the system of feeding travellers at Chatrums which is attended with abuse should be restricted as much as possible, if not altogether abolished The abolition of the feeding establishments at the Salem Chatrums is therefore approved, but it may be desirable to keep the Chatrums in repair with an establishment of a Sweeper for the convenience of travellers, as the distance

The Revenue Secretary to the
Chief Commissioner of
Mysore.

Sir,

With reference to the Chief Commissioner's Proceedings No 2387-8 / R. 411 dated 23rd ultimo, I have the honor to state that the chattram at Mālūr has been abolished from the 1st Instant. I quite concur in the opinion that the chattram building should be kept in repair for the convenience of travellers. Although there is a substantial Musāfarkhana close by, it is resorted to by Non-Brahmans. There is a Sweeper to it on Rupees 2 a month from the Imperial Revenue of the Taluk, and I would recommend his pay being raised to Rupees 5, and he may be ordered to look after both the buildings.

2. When the Chattram at Hegarvalle was in existence, it was held

building belonging to Sowkar Kāsarvalli Sannappaya and built by him specially as a private chattram, unendowed with inam. It is still used by travellers, but the Amildar reports that as the owners have not entertained a Sweeper, the building is very much neglected, and that it would be desirable to appoint a Sweeper from Government on Rupees 4. I consider that this may be sanctioned, as the Amildar reports that Rupees 2 is insufficient, and as labour is so dear in the Malnād. There is no Musafirkhana at Megarvalli.

3. Now that the feeding has been stopped, from the Savings of which the Mâlûr chattram was occasionally repaired hitherto, the question is whether the cost of its future repairs should be defrayed from the Imperial Civil buildings Grant or from the District Funds. The General Muzrayi Surplus Fund is not sufficient to meet this cost, as the pay of the District Muzrayi Gumasta and Contingencies

have to help therefrom.

4 It is also noteworthy that although chattrams are generally repaired by the stoppage of feeding allowances, in many instances the available resources therefor have been supplemented from Local Funds and all the Musāferkhānas are repaired from the same source

Shimoga Taluk
Benkipur
Holalur
Kowledrig Taluk
Mandagadde
Mālur.

5 The sweepers in the marginally noted Musāferkhānas are paid Rupees 2 each from the Imperial Bārāvard. But the sweeper at the Musāferkhāna at Shirakoppa, which was constructed recently, is paid Rupees 4 a month out of the Local Funds, to which source also the cost of all the 3rd Class Bungalow establishments debited.

6. As one of the avowed objects of the Local Funds is the construction & necessary of Dharmasāla, which are not different from chattrams & Musāferkhanas, & applies to the necessary cost of the [illegible] existing institutions [illegible] thrown on the [illegible]

Savings on the Local Funds.

I have the honor to be
Sir

Read :—

Letter No. 102 of the 5th September 1879, from the Dy. Commr. Shimoga District, regarding the Establishments required for the Malur and Megarvalli Chattrams.

Order thereon.

The employment of a sweeper for keeping in order for the use of travellers the Chattram at Malur is sanctioned. If the Musafirkhana and the Chattram are sufficiently near each other, one sweeper may suffice for both.

sanctioned for it
unless the owner formally
makes over the building
for public purposes and
the building itself is
substantial and sufficiently useful
to be accepted.

3 As the prevalent
rate of pay for sweepers
in the Musafirkhanas, the Distt
only Rs 24, the Chief
Comm^r. is not prepared
to raise it without further
explanation. Where, however,
there is more than one
building to take care of
or the work is specially
heavy, or there are difficulties
in getting servants, the
pay may be slightly raised,
but it must be remarked
that as the work is not
one which gives occupation
for the whole day, local

residents may be ob-
-tainable on the lower
rates of pay.

4 The charges on
account of Musafirkha-
-nas as well as of any
Chattrams not provided
from the Mooqrai Funds
are properly debitable
to Local Funds. Where
the charges are now borne
by the Provincial Budget,
arrangements should

With reference to your No. 5383/P.624 dated 11th January 1880, forwarding an urzi from the inhabitants of Mahushi, Kavaledrug Taluk, for report if any circumstances in the case call for a reconsideration of the decision passed in Proceedings No. 3715/302 dated 22nd February 1878 to the effect that the Malishi Chatram was not an appendage of the Malishe Ashvatha Narayan temple, I have the honor to state that the documentary evidence seems to support the petitioners contention that the Chatram was an adjunct to the temple, as fully reported on in the Mugarai Assistants' letter No. 5 dated 5th September 1877, a copy of which was submitted with the Commissioner's letter No. 827/131 dated 12th October 1877. Total 658-7-"

The original is not forthcoming, but a copy appears to have been sent to the Inam Department at the time of settlement.
9. Kavajaina Patti (establishment list) of the Mandagadde Taluk when it was formed in 1813. It is dated 25th October 1813 and is signed by His Highness, the late Maharaja, the total amount being entered in letters in his own autograph. The pay of the two servants of the Malichi Chatram is shewn and the Chatram itself is described as one in which "Anna dana" is made to 12 Brahmans in the Sannidhi of Sri Ashvathanarayan, with a remark that travellers need not be fed, and that the Dasdik for "Nitya katte," should be given to the temple on account of Brahmana Santarpane only and that no raw rations should be issued.
2. With their anzi to the Chief Commissioner the petitioners have produced

Copies

copies of two additional documents from Diwán Púrnaya - One is addressed to Vásudevachári, one of the managers of the temple and is dated Shukla, Phál-guna, Bahula 5th - The original has been secured and is enclosed - Having heard that the temple affairs were mis-managed, Púrnaya exhorts the Achari to put them on a proper footing - The feeding is described as "anna dána" in the temple, and the Achári is requested in these words to see that this "anna dána" is not mismanaged - "If the Pandits of other places come, they should be fed - If they do not come in large numbers, the Pandits of the place should be invited and the "anna dána" should be regularly per-formed - The Amildar has been written to on this subject and with regard to completing the temple kitchen".

3. The other document which is of the same date is addressed to the Amildar to the above effect.

4 It would appear from the fore-going evidence that the Chatram was an adjunct of the temple, an

Petitioners are therefore notified
in pursuance of the Establishment of
Mahsulle or the same time as before-

Sir,

I have the honor to report that the pay of the Sweeper attached to the Municipal Dharma at Shikarpur was reduced in December 1879 from Rs 4 to 2 on receipt of the Chief Commissioner's Order No 46044 / R 814 dated 8th December 1879, but from the experience gained it is clear that the pay is not enough for a Competent man - The present Sweeper does not do his work well and when fined or otherwise punished he threatens to desert - Labour in those parts is not as cheap as in the Eastern part of the Province, and Coolies earn more

working in the fields or on the roads. I have now accordingly to request sanction to raise pay of the present overseer Cyrian from Rs 2 to 4 as recommended in the Scale of Establishments for Burmese Mussafarkhanas, vide my letter No 375 dated 31st March 1850. I have the honor to be

Sir,

I have the honor to solicit early consideration of Mr. Ranga-
-miyengar's letter No 332 dated 15th
March 1880 recommending the Re-
-establishment of the Maharshi
Muschkanna Bhopanam service
in the Ashwatthanārāyana dévarū
temple there

2 The newly established Chatram
at Tirthahalli whose establish-
-ment and feeding allowance
Cost respectively Rs 180-11- and
515-11-11- total Rs 695-11- was
opened from the funds as noted
in the margin of the Amani of

Maharshi Service. Rs 513-11-
Paramalle — " 315-11-
Rs 825-11-

Maharshi Service and
Mālik Inām.

as will be seen from the Chief Commissioner's Proceedings No 1299/148 dated 23d July 1878, but I think the saving of Rs 390-8-- effected subsequently by the abolition of the Chakram at Mālūr. vide Secy's No. 2387/411 dated 23d August 1879- may be utilized to support the Vīrāṭṭānēśvara Chakram, the service of the Mahadeo temple being re-established.-

3 The devotees of the Mahadeo temple and the numerous pilgrims who visit it for worship have made to me earnest representations on the subject of the Annadhānam Bhōjanam service not taking place in the temple, urging among other things that the absence of that service which from a long time was being performed as an essential adjunct of the sexual ceremonies prescribed

prescribed for the worship in the temple, cannot but be looked upon in a religious point of as a great defect. And I under-stand that the matter has really to be looked upon in this light according to the strict rules of the Hindu religion and that the feelings of the Vaishnava sect — to whom the temple specially belongs — if not of other Hindus also are strong on the point. I, therefore, beg to recommend an early and favorable con-sideration of the question

I have the honor to be
